All applications must be submitted or postmarked by the due date and time selected by the Scholarship Selection Committee, listed at the bottom of this page. The Scholarship Selection Committee reviews the applications ranking them according to a predetermined ranking system.

The Deltona City Commission approved an award range of no more than \$3,000 and no less than \$1,000 to deserving applicants. When the Scholarship Selection Committee has made their selections, the selections are submitted to the City Commission at the next available Regular City Commission Meeting. The Regular City Commission Meetings are scheduled on the first and third Mondays of each month, unless there is a Monday holiday, at which time the meeting will usually be scheduled for the following day.

The City Commission will review the Scholarship Selection Committee's selection list and either approve or deny the selections. After the City Commission approves the recipient list, a letter will be sent to each recipient apprising them of the City Commission's decision. Included in the letter to the award recipients will be the Scholarship Acceptance Form which must be filled out entirely and returned to the Staff Liaison within 30 days of receipt of the award letter. This form notifies the City what college/university the applicant has selected and has been accepted to attend. If the recipient fails to return the Scholarship Acceptance Form within the 30 day time frame, the funds will be dispersed to the next eligible applicant(s). Each award recipient will be notified of the Regular City Commission Meeting date and time that the awards will be presented by the City Commission.
